

2nd BIS UNIVERSITIES SPELLING BEE FOR DURANGO!

After an intense and highly competitive contest in which 26 BIS Universities participated, Universidad Tecnológica de Durango won the first place at the Second National Spelling Bee.

On November 23rd 2018, Universidad Politecnica de Cuautitlan Izcalli was the host of the event, that took place inside the facilities of Facultad de Estudios Superiores de Cuautitlan, one of UNAM's campuses in Estado de Mexico.

2nd BIS UNIVERSITIES SPELLING BEE

Andrea Berenice Cordero Soto is the new National Spelling Bee Champion and along with fellow student, **Osvaldo Perez Hernandez**, both got the first and third place respectively to their university in **Durango**. **Aileen Michelle Cuesta Fortson** and **Renata Nieto Arcos**, from **UP Santa Rosa Jauregui**, won the second and fourth place respectively.

Academic Consultant for Macmillan, Chester Rutkowski and Professor from UP del Valle de Mexico, Norma Rivera, were the Pronouncer and the Judge, and Professor Cinthya Vite giving examples and definitions for this tight competition, that after two hours, ended up with three students spelling words backwards until the winner came out.

On behalf of PhD Francisco Monroy, UPCI's President, Elena Canseco, Head of the Academic Department, congratulated the winners and delivered their prizes, thanked all the universities participation and recognized everyone's effort along the contest.

Another activity in which UPCI, together with its partners of the BIS Universities, continue promoting the use of English and strengthening this educational model.
